10TH FEBRUARY 2017

No. 2

Life Skills

In Life Skills we are undertaking a new program called ASDAN. This involves completing 6 modules on a variety of topics from Cooking to Work Experience and everything in between. The modules when completed are externally moderate and then hopefully we will get our bronze certificates. We have made a start on the Home Management Module. Our first task was to plan and cook a two course meal. Here are Zackary (kneading dough) and Dakoda (reading the recipe) cooking their own choice of first courses.

QSchools

Prep/One News

We've had a fabulous start to the year!
We have 10 Prep children & 13 Year one's!
THANKS to all families who have paid levies & purchased text books for learning. This is all so appreciated. We will be having a Parents/Teacher get together on Monday 20th February to explain procedures & HOMEWORK. An emphasis will be on new ways of learning PHONICS, SIGHT WORDS & READING.

When: 4.30pm

Monday 20th February

Where: Prep/One Room

Please find the time to come along as it's most beneficial to be on the same wavelength.

Thanks

Shona CD

Reminder to Parents

If your child/children are leaving school before 3pm could you please ensure you visit the office and sign your child/children out for the day.

Thank You.

First P&C meeting for 2017, is Thursday the 16th February, 7pm @ Bowls Club.

Bar / Canteen

Sports News:

MacIntyre Swimming

Sixteen students competed last Friday at the MacIntyre Swimming trials in Goondiwindi. All students competed well and swam hard in their nominated events—many in multiple events. Ten students swam Darling Downs qualifying times and were selected in the MacIntyre team to compete at Gatton Pool on the 1st March. Students selected for the MacIntyre team are Imogen, Ella, Madison, Lily, Max, Declan, Zeb, Harry & Regan. Congratulations and good luck!

Border District Touch

Kaide, Tori and Lucy attended the Border District touch trials in Warwick this week. Although unsuccessful in being selected in the Border team all of the competed well and developed their skills with Kaide making possible/probables. Well done!

Border District Swimming

Competing yesterday in the border District Swimming trials at Goondiwind were Jack, Ruby and Caleb. All three swam really well and breaking many personal best times. Ruby has been selected to compete at Darling Downs trials in Gatton on the 21st February.

Also our students managed to get 2nd place in the schools percentage trophy. An amazing effort for only three students. Fantastic effort!
Ross Lydement

**Ipswich Jets Visits
Inglewood State School P-10**

"Do a job that you love, and you'll never have to work a day in your life. That's me and that's what I've been lucky enough to have all my career," so said David Faalogo, Development Officer for the Ipswich Jets and former player of South Sydney Rabbitohs. David has also travelled the world playing for teams in England and New Zealand and he spoke glowingly to our high school students of working hard at your talent so that you could one day do a job you loved every day. David, along with a group of NRL Development Officers, visited our school as part of the Millwood Junior Rugby League Club (of which our school has members) for a game of touch footy and a chance to chat up close about what matters (like who were the toughest players he'd ever played against, had he met Billy Slater and Jonathon Thurston etc). David encouraged all the students that no matter if their talent was in the sporting, academic or cultural fields, it was important to work at it and to continue to strive for greatness. The student thoroughly enjoyed the experience and the only complaint was that the session wasn't long enough! Inglewood State School P-10 would like to thank David Faalogo, the NRL and Millwood Junior Rugby League for providing this opportunity for our students.
Melissa Pietsch

We're MAD for MOW!

Inglewood State School P-10 M.A.D. Group this week began delivering Meals On Wheels to Inglewood citizens. Madi and Hayden travelled with Principal, Jackie Roberts delivering smiles, laughter and some much-needed lunch to Inglewood residents.

The "Making A Difference" (M.A.D.) group aims to perform various volunteer functions in our community of Inglewood and the results so far have been extraordinary. Our students sign up in droves for a chance to give of their own time to assist others and for the opportunity to make a difference in someone's life. Students learn the benefits to themselves and others of random acts of kindness and that they really can make a positive difference for all.

Many more activities are planned so stay tuned for exciting up-dates about our M.A.D students!
Melissa Pietsch
