18TH AUGUST, 2017

No. 24

Dear Parents and Carers

If your child is feeling unwell please keep them home. Over recent weeks we have been battling wave after wave of flus and stomach bugs. We are sending huge numbers of students home every day who have been giving school their best shot but who become more unwell as the day progresses.

Please keep your child home if they are unwell.

Attendance is important but equally important is having our children shake off these debilitating bouts of sickness. Nobody learns when they are not feeling well and the best place when you feel so awful is at home so that you can recover properly.

Please call me if you would like to discuss this further.

SCHOOL PHOTO DAY—Monday 4 Sept

Order forms have been sent home. Family envelopes are available from the office. Please note instructions for completion of your orders and return to school office before Friday 1st September.

SCHOOL ABSENCE LINE

With over 30 students away in recent weeks from illness it is important that you make use of our **absence line 4652 0160**.

Please use this number and simply leave a message any day or time. This enables our phone lines to be available for other calls and allows our staff to attend to other matters.

Please write it down - 4652 0160

Please put it in your phone - 4652 0160

SCHOOL OPINION SURVEYS

School opinion surveys have been sent home with the oldest child in every family. Please take the time to fill them out – your opinion matters a great deal to our school. We use information gathered from the survey to help us make school decisions for the future. All survey responses are anonymous. If you do not have access to the internet at home please come in and use one of our school computers.

BOOK CLUB—Issue 6

Brochures have been given out to students. Orders and money are due back to school office by Monday 28th August. *Please make cheques payable to: Inglewood State School P & C or try LOOP online. Our school is registered for LOOP, making it easier for parents to order and pay. This will eventually be the way for Book Club, so give it a try. Parents registered for LOOP have the opportunity to earn BONUS BOOKS with their orders for the remainder of the school year. This gives families the chance to build their home library and earn extra books in time for Christmas.*

Chappy Chatter with Chappy Jason

Last words from 'the fathering project' (mother's included!). **5. Helping your children feel special.** *Don't compare any of your children to any other children. Nurture their special qualities. Think about specific ways that your child is unique: Personality, Talent, Ways they have shown kindness, Interesting things they have done, Paths they have chosen to take or Opportunities they have made the most of.* **6. Teach your kids to have hope for the future.** *When you have a positive attitude about life it rubs off on your children. Be flexible and willing to face change. Show your children how to have hope for the future.* Some great thoughts, not only on how we can better connect with young people, but how we can make them feel special, loved and give them a better outlook on life. We have nothing to lose and they have everything to gain!

PARENT INFORMATION FOR PREP TRANSITION

We look forward to having you all with us for this exciting time!

All children attending our 4 day Prep transition must be accompanied by an adult. Those attending Kindy on that day can come with Miss Emma, however, if your child does not attend Kindy that day a responsible adult must come along for the morning with the child.

Friday 6th October - 9.00—10.30am

Friday 13th October - 9.00—10.30am

Friday 20th October - 9.00—10.30am

Friday 27th October - 9.00—12.00 noon

CIRCUS CHALLENGE visits Inglewood SS

Notes have been given to students for this performance on Monday 21st August at 9.00am in the Multipurpose Sports Building at a cost of \$10.00 per child (which includes the show and a 1 hour workshop). Circus Challenge is a fun, engaging hands on experience for students from Prep to Year 10. The program focuses on physical education, performing arts and team building (it is not your typical Circus with animals and clowns). Students will be involved in physical and creative activities throughout the performance, taking on roles in the circus. They will then have the opportunity to participate in an active workshop learning a wide variety of skills presented in the performance.
