From the Principal...

A very warm welcome back to all new and existing families. It was great to see students’ happy, smiling faces on their first day back – along with excellent behaviour and lots of learning!

Junior Secondary
Grade 7 students officially started in high school this year, and have hit the ground running. As a part of our Junior Secondary (Grades 7-9), these students are extremely fortunate in our P-10 school where we have the capacity to provide this program with little disruption to our already established learning programs.

Benefits of a Junior Secondary Program within our school include:
- Our Junior Secondary Coordinator (Mrs Mandy Lydement) has the expertise and experience to manage and facilitate the learning journeys for our students in this area;
- Junior Secondary students continue their learning journey using the “primary school” model;
- Students concentrate on the basic subjects of English, Mathematics, and Science while still being exposed to other high school subjects (Home Economics, Manual Arts, Technology, ICTs) and specialist lessons (Kitchen Garden, HPE and LOTE);
- Classroom expectations and behaviour management strategies are consistent as students move up the years, avoiding the “culture shock” of going from Primary to High School; and
- Students will receive a fantastic, undisrupted educational grounding in Junior Secondary, providing parents with the opportunity to delay sending their students to boarding school until at least Grade 10 (if need be).

Swimming Carnival
Congratulations to all competitors at yesterday’s Swimming Carnival. There was lots of friendly competition and good sportsmanship from all students. Good luck to those students going on to the next level – I am sure you will do us proud!

Breakfast Club
Our free Thursday “Breakfast Club” run by our Chaplain and other dedicated helpers will kick off next week. Hope to see you there?

Attendance
Please remember that a student’s attendance is vital to their educational achievements. Our target is 95% attendance for the year, and students will be encouraged to achieve this level. “Every Day Counts!”

Garth Callaghan

**STANTHORPE RD (Boonderoo) BUS**
The Annual General Meeting will be held on Friday 13th February 2015 at 3.45pm at Kelli Mills home, 1708 Tobacco Road. All parents encouraged to attend.

**LUNCH PASS**—students need to reapply for a lunch pass to go home at lunch time.

**MONEY ENVELOPES** have been sent home with students. These can be used when returning money to the office. When paying money for fees, workbooks, arts council etc it would be appreciated if you include the correct money or near to and indicate on the envelope what the activity is for. Workbooks will be passed to class teacher. **No eftpos available.**

**NEWSLETTERS BY EMAIL** - if you wish to receive our school newsletter by email, please give your details to the office. This is so parents can be informed when newsletters do not come home via children. Spare copies are also available in the office foyer. They are also available on the school web site.

**EMERGENCY CONTACT DETAILS**—if any details have changed e.g. address, phone numbers, medical condition please advise school office so records can be adjusted.

**PRIMARY WORKBOOKS AVAILABLE**
These are available from school office. Please include details on envelope and enclose money. Books will be sent to classrooms. **Remember: No eftpos.**
