## QUEST ACADEMIC COMPETITION

This week, our school entered three teams in the QUEST Academic Competition at USQ Toowoomba; Prep-2: Emma, Ty and Chelsey; Years 3-5: Declan, Steven and Eloise; Years 6-8: Holly, Matt and Kate. Students studied Science, Humanities and Maths on Monday and then completed a team challenge in each area of study on Tuesday. A big thank you to the parents who provided transport and encouragement! Our students worked brilliantly and all three teams **won at least one challenge**. Our Prep-2 team and 6-8 team both **won overall** and will represent the Darling Downs in the State Finals at Griffith University tomorrow. Congratulations to all of our competitors – and good luck for Saturday.

### Week 6 - Next week our focus is – BE SAFE/BE RESPECTFUL – Be a problem solver

Next week we will be looking at encouraging children to think of ways of how to solve problems themselves in all settings but especially in the play areas. There are lots of problems that students come across every day that they have to try to solve. We will work through different types of problems that may occur and categorise them into simple ones that could be worked out without help from a teacher and problems that are more complex and would require help from a teacher to solve.

### Book Club Issue 8 -- Last one for 2015

Brochures have been given out to students. Orders and money are due back to our school office by Wednesday, 18<sup>th</sup> November. Please make cheques payable to: *Inglewood State School P & C* or try *LOOP online*. Our school is registered for LOOP, making it easier for parents to order and pay, this will eventually be the way for Book Club so give it a try. Thankyou Wendy Johns (Book Club co-ord)

### Christmas Concert

**Wednesday December 9th** is the day to circle on your calendars; the concert starts at **9:30am and will end by 11:30am** – all interested friends and family are welcome and encouraged to attend.

This year's concert will deliver the usual fare of performing arts talent; each primary class will present an individual item in addition to performances from the choir, vocal and piano recitals, a few surprises from the older grades, and a visual art display which promises to be magnificent yet again. If you have any questions about the day or the program please contact your child's Classroom teacher or Mrs Leisa Cranna (Arts teacher) via the school office.

*Thanks for supporting the Arts*
