TUCKSHOP NEWS

Unfortunately there will be NO Tuckshop NEXT TERM unless we get a new Tuckshop Convenor. This is not a huge job, you just need to come in maybe twice a week to check stock levels & ordering. We are also in desperate need of volunteer workers. If we get enough names you will only need to do tuckshop maybe once a term. Please consider volunteering, it is a valuable service to the children and they really appreciate your efforts.

Week 9 - Next week our focus is – BE RESPECTFUL - Always respect others' right to learn.

At Inglewood State School we expect that our students always consider another student's right to learn at school. Student's will be taught, reminded and allowed to practice appropriate behaviours such as - how to resist interrupting; raising their hand every time to speak; and allowing other students to have a go.

EVERY DAY COUNTS! Our school attendance goal is for every child to be at school 95% of the time. Many of our students fall well below this figure and unfortunately it impacts upon their learning and consequently their assessment results.

The following information is courtesy of Education Queensland.

Did you know? Research shows that in Queensland, higher student attendance at school is associated, on average, with higher student achievement.

Why is regular attendance at school important? Regular school attendance will mean that your child has a better chance in life. Your child will achieve better when they go to school all day, every school day. • they learn better • they make friends • they are happier • they have a brighter future.

Why must I send my child to school? Under Queensland law, you must make sure your child of school age is enrolled and attends school all day, every school day unless they have an acceptable reason. Illness, doing work experience or competing in a school sporting event are acceptable reasons for being absent from school. Principals decide if the reason given for your child's absence is acceptable.

Avoid keeping your child away from school for: birthdays, shopping, visiting family and friends, if they sleep in, looking after other children, minor check-ups or care such as haircuts. Routine medical or other health appointments should be made either before or after school or during the school holidays.

What should I do if our family is going on a holiday in school time? You are encouraged not to schedule holidays during school time. If your family holiday is during school time, let the school know in advance and talk about what arrangements can be made for your child.

Do I need to let the school know if my child has been away from school? Yes, you must let the school know the reason why your child has been absent from school within two school days of their return. If possible, advise the school beforehand.

 To prove it wasn't chicken!!

CHAPPY CHAT

This week we had a 'find a home for bunny' lucky draw' which Ellie in Year 4 won. So I am glad bunny will be well loved!
