### Week 1 - Next week our focus is – **BE AN ACTIVE LEARNER** - Always be an active learner during lessons.

Good learning can only occur when students become active participants. There are many ways this can occur. Students are always encouraged to listen carefully, to follow directions, and to ask questions if they are unsure or need clarification. They are also encouraged to join in partner or group work in a positive and co-operative manner. Optimum learning occurs when all students in a class work in this way.

### **SCHOOL UNIFORM REMINDER** – It seems like the colder weather has arrived so it is important for the children to arrive dressed warmly in **school colours**.

Please ensure that your child has the necessary correct uniform for the winter season as well as ensuring all new items of clothing are clearly labelled with their name.

### TUCKSHOP NEWS

Unfortunately there will be NO Tuckshop this term unless we get a new Tuckshop Convenor. This is not a huge job, you just need to come in maybe twice a week to check stock levels & ordering. We are also in desperate need of volunteer workers. If we get enough names you will only need to do tuckshop maybe once a term. Please consider volunteering, it is a valuable service to the children and they really appreciate your efforts.

**Have You Ever Heard a Wombat Sing':** You are invited to go on a journey with two singer song-writers who are passionate about music. Along the way, discover secrets of the natural world, of being one with the land, and how to respect and look after Mother Earth and her creatures. As the audience become involved in simple music-making and song-writing, cultural history and contemporary awareness fuse in a powerful affirmation of the imagination and the ability everyone has to express themselves through music.

### SECONDARY ARTS REPORT

This program is off to a flying start! Year 10 are recreating the creatures they have designed in Term 1 into 3-D using clay. Year 9 are looking at 'collections' and will be creating their own collections with the help of some print making techniques.
