Broncos Rugby League and Netball Competition

Students completed playing in the Broncos competition recently, playing finals in Warwick. All teams play finals according to their position on the ladder after their five round games. All teams improved as the competition continued with all students learning more about their respective games and having a lot of fun. In rugby league our school combines with Texas and St Joseph's schools which takes time for all players to gel and allows a great opportunity for new friendships.

Rugby League B grade played Stanthorpe SHS and fought a close game. The game was a tie for much of the game with Stanthorpe kicking a field goal with a few minutes left in the game. Then Hayden from year seven broke their line and ran half the field breaking all tackles to score and win the game 8-5.

Rugby League A grade played Allora/Killarney/Clifton and over the course of the game our team completely overpowered the opposition to win 24-6.

Our Netball girls played a formidable opposition in Assumption College. They played very well and showed great skills but unfortunately went down to them. Even though they lost their final it must be remembered that the girls were the best placed team of all teams finishing fourth overall. Well done to all players!

CHAPPY CHALLENGE

The answer to last week's question was that hagfish have four hearts. Our winner was Annalise from Year 7.

This week's question is: *'What were the first passengers in a hot air balloon?'*

Some of the aspects that teachers will be covering are things such as - leaving a space between each other when sitting, standing a reasonable distance when speaking and respecting the personal space of peers when playing games.

Being Ready For Learning

With holidays just around the corner it is time to check if your child/children need essential school supplies such as glue, rubbers, rulers, sharpeners etc. Please help them to be organised and ready for learning by ensuring that they have these items so they can make a flying start in Term 3.

Another reminder is to ensure that your child/children have the correct winter uniform and suitable footwear so that they are dressed appropriately for the cold weather conditions that Term 3 will bring.
