We Care, We Learn and Together We Succeed

21ST AUGUST 2015

No. 26

Week 6 - Next week our focus is – BE AN ACTIVE LEARNER - TRY YOUR BEST!

“The best preparation for tomorrow is doing your best today. “ — H. Jackson Brown, Jr. Not all students are going to come first place, receive an A or get things right the first time. One thing all students are able to do is to focus on trying their best for all lessons. Teachers will be encouraging students to remember these points -

- Be kind to yourself and others
- Erase negative thinking
- Strive and work hard for success
- Tell yourself you can do it

CHAPPY CHRISTMAS BOXES

We have started the Christmas Shoe Box Appeal again. Each class has been assigned the same item to bring in. **Prep/1 & 2/3** have been assigned **something to love** to bring in. **Year 4** item is **something for school**. **Year 5/6** item is **something for personal hygiene**. **Year 7 & 8** item is **something to play with**. **Year 9** item is **something special** and **Year 10** item is **something to wear**.

The ages that the shoeboxes are made for are from 2—14 years. They cost \$9.00 to send each shoebox. So if you would like to contribute to postage there is a box at the office to hand in money.

Life Skills Class

Our life skills class have been learning the Queensland Road Rules and are gaining an understanding of all the various Give Way rules necessary when driving. They have also been learning about how money travels through the economy and how to withdraw and deposit money into a bank account. On a culinary note, they have made soups and nachos and learned about different varieties of pastry. This week they made some delicious pizza pies, using both shortcrust and puff pastry.
