Year 4 Update

Did you know that Australians use 10 million new plastic bags every day?

Were you aware that Australians dispose of an estimated 4 million plastic bags, or 20 700 tonnes of plastic, that can be recycled?

How about the fact that plastic is responsible for killing 1 million sea birds and over 100 000 sea mammals each year?

Incredibly, every piece of plastic we have ever used is still on the planet in some form today!

This term our Science and Geography units are closely aligned and the topic of materials and sustainability has certainly fired up the interest and awareness of the students. While learning new concepts we have also been raising our awareness of how we can change our habits and how we can become more sustainable in our own lives. We are all trying to do our best to **Refuse, Reduce, Reuse and Recycle**. Each and every small action can have a lasting, positive impact on our environment.

What could you do to make a difference to our world?

MACINTYRE TRACK & FIELD REPORT

On Friday 14th August, a team of 25 students competed at the Macintyre Track & Field Carnival in Goondiwindi. Students performed very well with some students experiencing inter-school competition for the first time and very nervous. Inglewood placed 3rd in the percentage trophy with five students selected to compete at Darling Downs competition in Toowoomba on Tuesday 8th September. They were Madison – (High Jump), Amelia – (High Jump), Harry – (800m,200m, sprint), Hamish – (High Jump), Heath – (Long Jump, 800m, 200m, sprint and multi event. We wish them well at this next level.

Week 7 - Next week our focus is: – BE RESPECTFUL - FOLLOW ADULT/ TEACHER DIRECTION STRAIGHT AWAY

To allow for the smooth running of classes and for general health and safety issues, it is most important for students to stop what they are doing, look at the teacher or teacher aide and listen for instructions. Students are expected to follow the instructions immediately and not in a time of their own choosing.

The school appreciates parental support in ensuring that students comply with this rule.

CHAPPY CHALLENGE

Our challenge winner was Lydia in Year 8. The answer was that monkeys peel their bananas from the bottom of the banana!

This weeks question is: *'Which is heavier—hot water or cold water?'*

CHAPPY CHUCKLE

This weeks joke was provided by Kyle in Year 8. The joke is: What's the difference between a guitar and a fish? *You can't tuna fish!*

From now on a joke will be randomly chosen from the Year 4-7 classes. Whose ever joke is chosen will receive a prize!

CHAPPY CARE BEARS

This weeks care bears go to Charli in Year 1 and Marrissa in Year 3.

OPERATION CHRISTMAS CHILD SHOEBOXES

So far there are only 2 classes who have collected items for the shoeboxes. Lets see which class can collect the most. We will be collecting right up until the holidays and possibly for a little while after. A reminder which item each class needs to bring is:

Prep/1 & 2/3 have been assigned **something to love**, **Year 4** item is **something for school**, **Year 5/6** item is **something for personal hygiene**, **Year 7 & 8** item is **something to play with**, **Year 9** item is **something special** and **Year 10** item is **something to wear**.
