SPORTS NEWS

Congratulations to our six students who competed at the Darling Downs Track & Field Championships recently. In Secondary, Hayden (YR 7) competed in the 100m and 200m events coming 3rd in both his heats. In the primary we had Amelia, Madi and Hamish compete in the high jump gaining valuable experience with Hamish getting a personal best jump of 1.13m. Harry competed in the 80m getting 5th in his heat, 200m making the final and placing 6th and 6th again in his 800m. Heath had a very full program competing in the multi-event (100m, 800m, long jump and shot-put), the individual 100m and 200m events. Heath competed very well in all his events with the highlights being 3rd in his 100m final and 1st place in the 200m, receiving medals and making the Darling Downs team for both of these events. Heath will compete at the State Titles in Townsville in October. We wish him well!

LOST PROPERTY

Parents please check for belongings in the Lost Property Basket under the primary building. So many items that are not named—they must be missed at home? The basket will be cleaned out before the holidays and re-distributed.

INFORMATION FOR PARENTS

Our school has been advised that if a member of staff applies a band aid to a student we must advise a parent. We have decided that we will send a note home with the student to advise parents that they have had a band aid applied. Our school only uses low allergy types of band aids.

MUNCHY LUNCHES

Cancelled next week as Year 10 students on Work Experience

R U OK DAY?

Yesterday was R U OK Day. R U OK is a national day to ask are you OK and have a meaningful conversation with friends, family, colleagues and anyone who might be struggling. So to recognise this day we had a lolly banana guessing competition with a poster asking R U OK or going bananas!

The reason we used bananas was that yellow is the official colour to represent this day. We had 3 students, Sienna, Ebony and Tully guessed the same number so Tully was the eventual winner.

Week 9 - Next week our focus is – BE RESPECTFUL/ BE AN ACTIVE LEARNER – Be an active listener

At Inglewood State School all students are expected to help create a respectful environment that allows for uninterrupted teaching and learning. Students will learn that behaviours such as continually interrupting others when they are trying to speak or interrupting the teacher by calling out are not tolerated and that positive listening behaviours will be rewarded.

CHAPPY CHALLENGE

Last weeks challenge was won by Michael in Year 10. The answer was that golf was the first game played on the moon.

This weeks question is: 'What country eats the most baked beans?'

Winners of Father's Day Paper Planes Competition

The greatest thanks must go to the Year 5/6 class whose designs and enthusiasm for the task were unparalleled. Our unit of Flight has been a great success so far thanks to the students' fantastic attitudes and application when their designs need modification. The focus of the Paper Planes Competition was not to win, but to create **"something beautiful"** and the audience could certainly attest to every student achieving that aim beyond everyone's wildest dreams!

CHAPPY CHRISTMAS BOXES

There are a number of classes now that have bought items in for the shoeboxes. If you haven't bought anything in yet there is still time! Also each class has been given Christmas cards to individually write in for the boxes so make sure you send a Christmas message.

CHAPPY CARE BEARS

Hannah in Prep and Ella M in Year 2 are our care bear winners this week.

CHAPPY CHUCKLE

I am really pleased with the enthusiasm for entering the chappy chuckle. All jokes will be kept from now and placed in another chappy chuckle box to be read. This weeks winner was Tara in Year 4 and her joke is: *'What three letters are robbers scared of? ICU!'*
