All Welcome

Next week our PBL focus is – BE SAFE - Always follow sport safety rules.

During supervised sports lessons the teacher ensures that all students are ready for the activity, are learning the rules of the sport and play fairly throughout the game. The same amount of supervision is not possible during break times so this week students will be reminded how to behave during the lunch hour when they are playing school approved games. Aspects such as showing team spirit, being inclusive of others, showing respect for others playing a game and wearing footwear and hats will be discussed.
