### From the Principal's Desk

On Wednesday morning we held our Student Leader Investiture Ceremony. Our new leaders are an amazing group of young people. It is refreshing to see such enthusiasm and commitment to the role of school leader. Our community can be very proud of our 2016 school leaders.

Yours in Education

Jackie Roberts

### Attendance

This week (Week 5) we are sitting on 94.2% attendance. That means we have made a slight improvement from Week 3 where we sat at 94.1% but we still need to make sure that every student is attending every day to reach our term goal of 95+% attendance.

Congratulations to Year 3 and Year 5 for their excellent attendance for Week 4. They were even on 99.1%. That is outstanding. Well done!

Our high school students need to do some work on their attendance as their stats are substantially lower than their primary peers. Come on high schoolers – every day at school learning!

### Big News! Reward for Great Attendance

There will be a special lunch for the Year level who achieves the highest attendance for the term. This will occur every term. Students from the year level who achieve the highest attendance will get to have lunch with the principal – catered and very special with a fun activity to follow. Encourage your child to contribute to their year level's attendance and they might get to enjoy this special event. At the time of writing this news our front runners for the luncheon are Year 2, Year 3 and Year 6! Can they be toppled??? I'll keep you posted J
