### Help Look After Our School

Staff and students were disappointed to find out that our school was vandalised this week. This act has a financial, emotional and time consuming effect on all members of our school community.

We need your help to protect our school environment by reporting after-hours crime. If you do see something suspicious, please don't attempt to intervene. Call the School Watch number and let the local police deal with the matter.

Keep the number handy – **13 17 88** – and let's work together to help create a safer school community.

Reporting suspicious activity is essential to ensure our school remains a safe and inviting part of our local community.

We care for our school please help us by keeping a look out.
