USQ BEYOND YEAR 10 CAMP

This year we participated in the USQ Careers Development Camp with a number of other schools from Western Darling Downs. This camp provides different pathways to follow after Year 10. During the 3 day camp we attended a variety of industry visits such as TAFE South West, USQ Toowoomba, Queensland Rural Medical Education Centre and various other industries. All of the industries that we visited gave us a tour of their business and what jobs they have to offer and ways of achieving the necessary skills needed for employment in these areas. It showed us many different ways to attaining our life goals without having to attend University. It was a worthwhile and rewarding experience.

The Macintyre Young Writers Open Writing Group has secured the skill and time of Dr Jessica Gildersleeve-Senior Lecturer in English Literature from USQ Toowoomba as well as Nike Sulway. (see above and google) The workshop in creative writing will be held over 2 days 25th/26th June in Goondiwindi if we can get at least 15-20 participants. However we need 10 participants to run with one day (Sat). Jessica has stated that "the workshop would be suitable to writers at any stage - we can meet them at their individual levels". The suggested times are 11.00am-3.00pm Saturday and 9.00- 3.00 Sunday. There will be a \$25.00 fee for participants. BYO Lunch and shared morning tea at 10.30am.

Venue: TBA (either GSPS Library or Art Gallery Regional Library Goondiwindi.)

Jessica is no stranger to writers who have entered the MYW Open Writing competition since 2013. Jessica has been a judge of our competition providing each writer with quality guidance and encouragement through her comments on their writing. She is very keen to remain involved and contribute to developing the Macintyre Writing community. Please contact Heather Haley Scanlan on 0427751144/0746751140,

Their combined knowledge of culture, dance, music and visual arts with social work practices delivers a variety of programs to promote positive and practical learning experiences that incorporate Indigenous and Torres Strait Islander perspectives, histories and cultures, empowering youth to make positive and healthy choices for their lives.

SPECIAL PRIMARY ARTS COUNCIL PERFORMANCE

Due to a mix up with scheduling from Arts Council we have an unexpected performance next **Tuesday 21st June at 9.10am in the Multipurpose Sports Building (see details above)**. As this is a one off change we are offering P-6 classes the opportunity to attend at a **discounted price of \$4.00**. If you were one of the parents who paid for your student to go to the Texas 2-Way Swim Meet earlier this year, this money can be used for this performance. You will receive a personalised note if we have it on record that you paid to go swimming. Please return these individual envelopes so we know if you want your student to attend and for us to transfer this money. Thank you.
