Junior Choir News

It's Goondiwindi Eisteddfod time of year again and our little Junior Choir (Prep-Year 3) have been hard at work preparing for the competition. All year, the students have been learning 5 songs to present and will showcase their work on **Thursday 4 August** at the Goondiwindi Cultural Centre. There our school competes against several other school choirs of a similar age for fame and glory so we wish them all the best! An adjudicator judges our performance on the day and gives us constructive comments for improvement. Notes went home this week about it outlining bus transport details, uniform etc so please see your teacher or the School Office if you did not receive one. \$5 cost is due soon along with permission notes. It's a great excursion for our littlies and it would be wonderful if all students in these classes were able to attend. Good luck Junior Choir!

Goondiwindi Eisteddfod News

The Goondiwindi Eisteddfod stretches from Tuesday 2-Saturday 6 August and along with our Junior Choir, our school usually has strong representation in other areas of The Arts in individual sections. Students train for many months to compete and receive feedback about their progress and the sheer act of getting up in front of a crowd to perform is something I'm sure we'd all agree takes enormous confidence. It is a wonderful way to showcase the talent of our students whilst building resilience along the way. We have students competing in Instrumental, Vocal (Singing), Dance and Speech & Drama sections in the Eisteddfod and we wish them all the best! As it is a district event, only the best compete so the competition will be tough! A full report of their achievements will certainly be provided after the event.

SCHOOL OPINION SURVEYS

It is that time of year again where we are asked to administer the School Opinion Surveys to parents, staff and students. This is an extremely valuable exercise, as it allows everyone to have a say in the running of the school. We are always looking for ways to improve, and value the input from all stakeholders.

A random sample of Parents has been completed, and some of you will receive information regarding the website and passwords needing to be used to access this online survey (available until 29th July 2016).

I encourage you to please take the time to honestly complete the survey in the given timeframe.

For those of you who do not have computer access, you are more than welcome to come and use the school's computers.
