FROM THE SPORTS DESK...

2-Way Meet versus Texas SS

Well done to our large Inglewood State School team of competitors who ran, threw and jumped their little hearts out on Monday at our annual **2-way Track & Field Meet** against arch-rivals, Texas State School. It was a mammoth effort but in the end Texas proved far too good for us! No doubt, some students have gone away vowing to follow in the Olympians footsteps striving for Faster, Higher and Stronger next year!!! I would urge all students to set realistic goals and work towards achieving their personal best in their chosen events. Who knows... giving Texas a run for their money next year would be sweet revenge indeed! Congratulations to **Georgina, Hamish, Heath, Jaycob and Luke** who were **Age Champions** on the day. Most of all, I would like to congratulate **ALL** our students, who participated with heart and determination for the entire day – WELL DONE!

10-12 Years Girls Australian Rules DD Trials

Darling Downs is entering an *Australian Rules Girls Team* for the first time into the State Carnival in Yeronga, Brisbane in October.

Schools can nominate suitable individuals using the selection criteria for the Darling Downs Trials. Girls born 2004-2006 are eligible for the DD Trials on **Monday, 5 September** at Concordia Lutheran College in Toowoomba from 9am -1pm. Cost is \$5. Selection criteria was given to those interested students this week.

Nominations are due on **MONDAY 29 AUGUST** so if you believe your child would be capable and did not receive a form, you must contact the School Office immediately.

Transport is the responsibility of parents and Medical Forms are a requirement of play so **NO FORM, NO PLAY**.

No doubt a few of our students will be eligible for nomination so get training!

Science Week

During Science Week, Ronnie the Robot lost his prized Golden Bolt. He enlisted the help of the Primary school students to find it. Thankfully, Reagan was lucky enough to find it for him and was given a purple robot as a reward. Well done Reagan. The teachers also celebrated Science Week with a 'Brain Break' morning tea with the theme Drones, Droids and Robots.

CALLING ALL MEN!

Can you wield a spanner with precision? Is an Allen Key found easily in your house? Are you just plain wonderful as a bloke? Surely you have responded YES to one of these questions and if that's the case – WE NEED YOU! In the last week of school this term, the high school is helping out Mrs Pietsch in her stand-in PE Teacher role by readying the bikes owned by the school for the Bike Riding Program in Term 4. We plan to host a "**Bike Repair and Maintenance**" Session with our male students and for that, WE NEED YOU. We will have all the necessary tubes, oil etc so we just need some great fellas to come along and show us how it's done. The session will be **relaxed** and **informal** so no need to worry that there will be a test at the end – in fact, we'd love you to stay for a quick cuppa and talk to some of the boys if we get some extra time up our sleeves. Sound like you could help us? We'd love you to let the School Office know if you think you could spare the time. Boys will also get the chance to invite someone so why not beat a teenager for once at something and get in first?

Session Time: 9-11am Date: Wednesday 14 September

Where: The Sports Shed
Morning Tea will be provided so save the date! Our young men will thank you (and Mrs Pietsch will too!).
