HORSE SPORTS REPORT

Horse sports at Goondiwindi State School was, yet again, a great success for seven of our students. August the 19th, Tori, Amelia, Ellie, Jacob, Aksel, Thomas and Annabelle saddled up for a long but rewarding day with approximately 130 other students from nearly 30 different schools. Many of our students achieved numerous personal ribbons over the day's events and should be congratulated for their efforts and achievements. A big thankyou to parents as well for taking the time to travel with horses and students to these events.

Thomas gave an outstanding effort to achieve age champion in his events and bring home a new rug for his trusty steed. Well done Thomas and to all our riders in representing our school at these events.

ADVANCED MUSIC CAMP

Rebecca, Emily, Amelia and Eloise attended the 3-day **Advanced Music Camp** last week in Toowoomba. These students were selected on their progress in Mr E's Instrumental Music program and to say the week was a great success would be an understatement. Students were put in 4 bands (of around 70 students each), rehearsed new pieces for 3 days and then performed them to the delight of family and friends. Well done girls!

Notes went out this week for the Intermediate Camp coming up in October. Please see Mr Eddiehausen if you have any questions. The experience is a must for those students interested in pursuing and developing their musical talents.
