Bike Program Term 4

Well it's time to oil those bikes and pump up those tyres in preparation for our Bike Program that will commence Week 1 of Term 4! With the weather warming up it's a great chance to check on your children's bikes and get them ready for action. The program is always a ton of fun so the more ready your child and their bike is, the more they will enjoy it.

Invitations have gone home to men in our school community asking for assistance with our "**Bike Repair and Maintenance**" session on **Wednesday, 14 September from 9-11am**. We hope to have a great time getting the bikes 'performance-ready' and chatting about the big issues in life that affect our men (like what slice to have with our cuppa). It should be fun so please respond positively if you have been invited – we'd love to see you there.

Darling Downs Track & Field Trials

After months of training, our students met their rivals on the track on Tuesday, 6th September and competition was certainly high-quality and fierce! Despite windy conditions and some impressive Australian champions there on the day, our team gave their best and competed strongly. Congratulations to **Declan** who ran a terrific 800m, **Amelia** who ran a very fast 200m, **Hamish** who competed well in Long Jump and Shot Put, **Harry** who ran an exciting 100m, 200m and 800m events and finally **Heath** who had strong representation in Long Jump, a 4th place in the 100m final (securing him a spot on the final team in the relay event) and a very thrilling **FIRST** in the 200m final! A champion effort by all involved and we wish **Heath** all the best with his continued **Darling Downs team** training for the State Carnival in October in Brisbane!

STUDENT ATTENDANCE

Education Qld is in the process of introducing a new procedure that every state school must implement.

Parents must be contacted every day via text message if their student is absent without a reason being provided to the school. This text message must be answered by the parent.

We will be starting this process at our school this year so we ask that you please make sure that your mobile phone details are correct.

We also ask that you make use of our **school absence line 4652 0160** to leave a message which will be checked every morning.

P & C MEETING NOTICE

General Meeting: To be held on Thursday 15th Sept at 6pm in the Resource Centre at School.

Darling Downs Primary Girls AFL Trials

Well done to **Emily, Sophie, Madi** and **Eloise** who trialed for the Darling Downs AFL Girls team on Monday, 5th September in Toowoomba. They kicked goals, hand-balled passes and took marks like the professionals. The girls enjoyed a great experience with **Madi** even making it through to Possibles/ Probables. Who knows – with the start of the women's AFL competition, we could be looking at a player of the future!

Aquathlon 10-12 years–Dalby, Friday 27 October

Students wishing to attend the last trials of the year should consider starting training soon for the **Darling Downs Aquathlon** held Week 4 next term. Only students with evidence of training will be able to attend so start working out your training regime now! The event comprises of a 1km run, 200m swim followed by another 1km run. It's not easy so you would need to start building on your endurance straight after the holidays at the latest. Bike riding is offered for the first 6 weeks of HPE classes and a running session will also be offered one afternoon for students to access – more details later. You are responsible for the swimming training and as the pool opens soon, this shouldn't be a problem. The state event is February next year in Hervey Bay, so only students born 2005 and younger can compete. If you think this sounds like you – get moving!
