Date Claimer: **Harmony Day** to be held on Week 10 – Thursday (30/3/17). Students are invited to wear something orange to celebrate. Harmony Day is a special day where we celebrate respect, fairness and a sense of belonging for everyone.

Careful crossing the road!

Please speak to your children about crossing the road at Chilcott Street. Lately I have observed some of our students crossing the road without using the shared area which is designated. There have been some instances where staff have observed students not using the 'crossing' and just walking across the road without being careful of cars backing out. The safety of our students is paramount so please have the conversation about road safety with your child. We ask also that if you are backing out of the parking area you are diligent in looking behind you when you back out of your parking space.

Cross Country
