Sports News

Darling Downs Primary Basketball Trials

Lily and Molly attended the Darling Downs basketball trials in Toowoomba last Monday. The team had one win and Lily scored a basket on the day. Both girls thoroughly enjoyed the day and learnt heaps.

MacIntyre Trials Netball

In attendance were Molly, Lily and Madi. Molly trialled as shooter all day, coming up against some stiff competition. Lily trialled in wing and centre positions and Madi in goal defence. Both Lily and Madi made possible and probables with Madi successful in making the Zone team. Madi will play in the Darling Downs Trials at Nelle Robinson Park, Toowoomba in April. Good luck Madi!

Rugby League

Trying out for Rugby League were Harry, Lachlan, Ethan, Koori and Hamish. All students trialled well with Hamish successful in making the zone team. Hamish will attend Darling Downs trials at Toowoomba in April. We wish him well!

School Cross Country

The annual school cross country run will be held on Wednesday 29th March. First race will begin at 9.30am at the golf course. Training is held on Thursdays 3.15pm till 4pm. Meet Mr Lydement under the primary building.

Soccer Trials

Names for MacIntyre soccer trials (10, 11 and 12yrs) have been collected this week. These trials are the Friday of first week back after the holidays. It is an expectation that students have a sound knowledge of the game and appropriate skills. Students must wear shinpads but may borrow them from the school. Letters will be sent home soon.

FOCUS OF THE WEEK—Week 10

Be Safe and Be Respectful

HARMONY DAY

Our school is celebrating HARMONY DAY on Thursday, 30 March with a short parade/ ceremony where we unveil the countries of heritage that distinguish our school from others. We're proud to celebrate the diversity of our students and staff. Wear *orange* and join us in celebrating how all of our differences make Australia a great place to live!

THE IMPORTANCE OF OUR P & C

Do you love our beautiful, green oval? Are you happy your children are comfortable in air-conditioned/heated classrooms, assisting their learning? What about those 20 IPADs purchased for classroom use???

All of this and more are the contributions our P&C have made to our small school, ensuring our students are comfortable and technology-savvy. This is a direct result of the P&C Bike Ride coming up on the first weekend of the holidays. If you haven't already indicated where you could assist—PLEASE DO SO! Get involved and be a part of something that has a direct benefit to your children's comfort and learning! Contact the school or Jeff Loughnan (father of Georgina and Hamish) for more details and let's get together to make our school even greater.

ANIMALS ON SCHOOL GROUNDS

Parents please be aware that pets are not permitted on school grounds, they need to remain at home.

MOSSIE ALERT

We would like to bring to your attention that there is an extraordinarily high amount of mosquitoes at the moment. Please be aware that if you are able to apply liberally mosquito repellent before coming to school or attending the Cross Country event next Wednesday 29th March, it would be very beneficial for your child's comfort.
