30/03/2017 - P&C Bike Ride Update

The beautiful rain we have experienced overnight has forced the Bike Ride Committee to make a decision to postpone the ride until later this year.

On behalf of the P&C, we would like to express our sincere thanks to the parents and community members who have worked so positively towards making our bike ride another huge success this year.

We would also like to take this opportunity to ensure everyone that the ride will go ahead – your hard work has not been in vain!! As soon as we have confirmation of our new ride date, we will post this on our website, FB page and put a note in the Newsflash....and then we can rally the troops and do it all over again!!

For those parents and community members who have not managed to get involved, here's another chance! We understand that making it to meetings at night is not always possible and some may feel that they are on the outer, not knowing details about events. We would like to let you know that there are other ways to stay involved and have a positive impact on your child's school life. You can simply become a member of the P&C, you will then be emailed minutes of the P&C meetings, ensuring you stay abreast of current issues.

Becoming a member of the P&C is as simple as writing your name and contact details on a membership form. These can be collected from the school office.

Enjoy the rain!

 All school chaplains meet the minimum qualification standards set by the state and federal governments. Over 85% of SU QLD chaplains exceed these requirements with qualifications at the Diploma level and above across Youth Work, Human Services, Education and Theology/Ministry.

We welcome our new Chaplain, Jason, starting in Term 2.
