**Dress Blue – Free Dress Day – Friday 5<sup>th</sup> May 2017 (Friday, Week 5)**

As many of you are aware, Dalby State School lost a significant part of their school from fire earlier this week. I can't begin to imagine the difficulties being faced by staff and students there as they return to school. Our hearts go out to all. Our school community is big on helping. As a result we are going to hold a Blue-Dress Day on Friday of Week 3 (next week). All staff and students are Encouraged to dress in blue for the day. A gold coin donation would be much appreciated with all funds raised going to our friends at Dalby to help them replace items lost in the fire.

**Mrs Roberts Slide Night**

Come along and see the report on my recent study tour of Canada and how what I have learned will benefit our school community.

### Chappy Chatter with Chappy Jason

My name is Jason Skinner (Chappy Jason) and I am your new School Chaplain. Here is the vital information you need to know. I live in Warwick and am also Chaplain at Warwick West SS for the last 4 years and now also Texas SS. I am married with three children all of them at High school in Warwick, Cody (Yr. 12 and boys school vice captain), Gabrielle (Yr. 9) and Erina (Yr. 7). I have lived in Warwick for more than 30 years and currently live on a small farm at Swan Creek, East of town. I love the farming life and have grown up around the Rodeo circuit, thus explaining my 6 horses. Previously, my employment over the last 20 years has been in the Pig production industry, specialising in Genetics and herd management. Over the last few years I have been studying to complete my Diploma in Youth Work. I have been involved in working with young people through many different avenues over the last 20+ years. This has included Sunday School, Youth groups, Youth camps, Boys' Brigade and many other community youth events. I moved into School Chaplaincy in January 2013 starting at Warwick Christian College, and Warwick West (2 days/week) in August 2013. I am very passionate about working with young people, getting alongside them, helping them deal with life's issues and helping them become all that they can be, no matter what background they come from. I will be at school in Inglewood every Tuesday and will take this opportunity to connect and engage with the school in the sports fields, lunch breaks, small group programs and in the classrooms. If you would like to talk to me about School Chaplaincy, my role, how I can help you or anything else, just catch me at school or call the office to arrange a time to see me. I am looking forward to becoming part of the school for an exciting year.

#### SCHOOL DRESS CODE—WINTER

Parents please be aware that with the cooler weather, a lot of students are wearing inappropriate jumpers and shorts which are not in school colours. Leggings are not permitted. If you need to purchase uniforms please collect an order form from the office or visit Schofields in Goondiwindi.

#### YEAR 10 SCHOOL BASED VACCINATION PROGRAM—MENINGOCOCCAL

Permission forms have been issued to all Year 10 students for this immunisation program. Please return forms to school office by Friday 19th May. Immunisation day to be advised.

### PBL FOCUS—Week 3

Be Safe

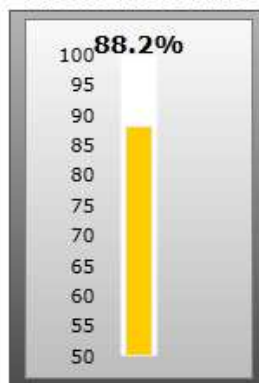

Always move between classes in a quiet and orderly manner.

#### Attendance as at 27<sup>th</sup> April 2017

OH NO! what has happened to our near target performance for attendance??? Whilst we can note that some of our students who have left our school have yet to send through confirmation of their new schools (we need this to take kids off the roll) there is no denying that we started the term with a shocking number of absences. Remember – every day counts. There should be no taking a day off for any other reason other than sickness or family obligations that cannot be scheduled for another time.
