No. 14

YEAR 10 WORK EXPERIENCE REPORTS

Makayla: I completed my work experience at St. Maria Goretti Primary School and I was supervised by Paula O'Rourke. Some of the jobs that I had to do was mark homework and help groups of students. I observed Ms Polly Crawford and Ms Casey Sly in their classes while I was there. I liked taking the students best as I liked to spend time working in smalls groups with them. Work experience was really good compared to school as I didn't have to do my school work and it was a week off school. I would like to thank all of the staff at St. Maria Goretti for having me. I would also like to thank Mrs Doherty for organising the whole experience and for making this all happen.

Kyle: For work experience I went to Wiltshire and Co. as a hardware shop assistant and was supervised by Warren Croft, Matt Price and Mathew Oxenford. I saw them using the forklift, metal drop saw. I got to deliver gas bottles, batteries, stock feed and cement. I helped with the stock-take, fixed a car seat and a motor guard, unloading pallets, sorting hoses and metal and stocked shelves and some cleaning. I enjoyed the deliveries and tidying up outside as I am an outdoor person. The only thing I wasn't so keen on was the scanning for stocktaking. It was way better than school as I like doing manual things rather than schoolwork. I learnt to be very punctual, efficient and followed directions well. I give it a 9/10 and would like to thank them all for helping me and teaching me new things.

BOOK CLUB—Issue 4

Brochures have been given out to students. Orders and money are due back to our school office by Monday 5th June. Please make cheques payable to: *Inglewood State School P & C* or try *LOOP online*. Our school is registered for LOOP, making it easier for parents to order and pay, this will eventually be the way for Book Club, so give it a try.

Wendy Johns (Book Club co-ordinator)

	STUDENT OF THE WEEK	STAR OF THE WEEK
P / 1	Andie	Dale
2 / 3	Charlotte	Aksel
4 / 5	Georgina	Demi
6	Ellie H	Amelia
7	Liam	Brock
8	Jaycob	Ryan
9	Stefano	Lucy
10	Kyle	Caitlin

PBL FOCUS—Week 7

BE RESPECTFUL

Our school is a **bully-free zone**.

This school **does not accept bullying of any type.**

More Work Experience Reports

Hayden: For work experience I went to the Spar Inglewood and worked with Kelli Mills, Candice Potter, Brydie Doherty and Renea Connelly. I got to observe Kelli driving the forklift, bringing a load in and I wasn't able to sell cigarettes. I was keen to learn the cash register and enjoyed serving customers and working in the deli. I didn't like defrosting the freezer as it takes ages but got a bonus when I found a coin at the bottom. I was a little frustrated when I couldn't understand and help one customer who couldn't speak English very well. I enjoyed the last part of the week because it had more variety. I got to meet lots of customers, workers, suppliers/vendors. It was much better than school because I was allowed to work different shifts, it was more physical than mental and I didn't have to read or write as much. The only negative thing was not seeing my friends as much. I need to work on weighing and finding the vegetables on the screen of the cash register. I would give it an 8/10 and would like to thank Kim and her staff for allowing me to work there for the week.

Kaide: My work Experience was at Bond Electrical with Daniel Bond and Joey Frey as an Electrician. During the week I saw people fixing fans at the olive factory and wiring up the power box. I liked drilling holes because I got to drill walls and wire things through them. I also enjoyed breakfast provided by Joey Frey. Work was better for me because I didn't have to do things that I don't particularly enjoy at school. The only negative thing was not being able to do as many things because some activities were restricted. I learnt how to strip wires, fit in air conditioners and fix olive factory fans. Work experience was great fun and helped me decide what I want to be in the future. I give it a 9/10 and would like to thank Daniel and Joey for having me for the week.

Chappy Chatter with Chappy Jason

Over the last couple of weeks we have remembered and given thanks for some very important things. The special services on Anzac Day where we were reminded to be thankful for the country we live in and for the sacrifices others have made for this country, particularly the Anzacs, but all soldiers. In a different way, we have remembered our Mum's and thanked them for the amazing things they do for us, the love, the care and all the extraordinary things they do.

What about you? Are there things in your life that you are thankful for? If you are struggling to come up with an answer, consider this :

I recently read that 43% (almost half of the world's population) live on an income of **less than \$2 a day**. We all know of many people who spend more than that on their dog. If you sleep in a bed, have clothes and shoes to wear and food to eat, you are far better off than many millions of people around our world. You, therefore have a great deal to be thankful for.

It is easy to concentrate on the negative things that are in our lives, but if you adopt the habit of spending time considering the blessings in your life, the love of your family and friends and the fact that you live in a country where you can feel free and safe – then you will probably become a more positive and happier person. See if you can turn each and every day into a 'thanksgiving day'.

ANIMALS ON SCHOOL GROUNDS

Parents please be aware that pets in particular dogs, are not permitted on school grounds, they need to remain at home.

LITTLE A's ATHLETICS

Our first training day for Little A's will be commencing next **Wednesday 31st May, 3.15—4.30pm at Multi Sports Building, Inglewood State School.**

Please remember to sign up online at www.littleathletics.com.au if you haven't already done so. The fees are as follows:

Tiny Tots - \$40.00 U6—U15 - \$65.00
