Sports News Term 2

Darling Downs Touch Trials

Madi and Georgina attended the Darling Downs touch trials in Toowoomba. Both girls played well, thoroughly enjoyed the day and developed their skills which will put them in good stead for future years.

Darling Downs Primary Soccer Trials

Congratulations to Madi, Sophie, Lily and Declan who travelled to Stanthorpe to compete for the Macintyre Zone district at the Darling Downs regional trials. All students apparently played well, despite chilly conditions and were proud representatives of their Zone on the day. Although none were successful in gaining selection to the Darling Downs team, the experience was no doubt a memorable one for all. Well done! A mention to Emily F who was a shadow player and trained hard and attended all training sessions but unfortunately didn't get to play.

Darling Downs Netball Trials

Well done to Madi who competed in the Darling Downs Netball trials in Toowoomba. By all accounts it was fiercely competitive and although Madi didn't gain selection this year, she is sure to be a player to watch of the future.

Darling Downs Rugby League Trials

A tough day of competition was enjoyed by Hamish at the Darling Downs Rugby League Trials in Toowoomba. The Macintyre Zone played well and although Hamish learned much from the day, selection in the Darling Downs team proved elusive. Well done Hamish and it surely won't be the last we hear of his achievements in this sport.

Macintyre Cross Country

Well done to our school team who competed at the zone trials held on our golf course. Making the Macintyre team is Declan and Zeb in the 10 years. Mention should also go to Will G who competed this year as a 9 year old. This was a trial year as 9 year olds are too young to compete at Darling Downs. Will came 3rd overall in the 10 years event. Well done to all!

Darling Downs Cross Country Trials

Well done to Declan and Zeb who travelled to Toowoomba to compete in the Darling Downs Cross Country Trials as part of the Macintyre Zone. The boys encountered some stiff competition in their first year (they both competed as 10 year olds) and achieved extraordinarily great results for such young athletes. Zeb came in around 30th (in a field of at least 50) and Declan came in at a very swift 11th (narrowly missing a spot on the top 10 chosen Darling Downs positions/shadows). Great work to both boys and we look forward to following their development over the years.

Declan and Zeb went on to the Darling Downs Championships in Toowoomba with both running very hard and achieving 11th and 30th respectively. A great effort!

General

Thanks to all students who trialed and competed this term at various sporting events. Remember, it is important to have a go! Also a special mention to all our helpers who keep events running around the school. Your assistance is much appreciated!

Upcoming Dates

Don't forget notes for upcoming events need to be returned

- Girls League Tag (13/14) is on the last Thursday of term in Warwick.
- St Mary's Shield Soccer for grade 5 and 6 students is on the last day of term in Goondiwindi.
- School Athletics Day is to be held in the first week back on Thursday 13th July
- 1500m events will be held on the Wednesday 12th July during lunchbreak
- High school Mini Carnival (High, Triple Jav & Dis) will be held on Tuesday 11th July.

SPOT ON WINNERS—Week 8

Primary: Charlie S, Lucas, Sophie, Courtney, Amelia, Tara-Jae, Tattyana, Aksel

Chappy Chatter with Chappy Jason

I often get asked how can I connect meaningfully with young people? Some want to know how they themselves can connect and others want to know how I do it. In my experience in Chaplaincy and working with young people over the last 20 years, it is seemingly quite easy and difficult at the same time. Young people want our time..... They want our undivided attention and listening skills to connect with them. Young people often don't have a significant adult in their lives that has the time to genuinely connect with them and listen. Our busy world means we are often time poor and don't spend the time with our young people we would like to or should. This is where other adults like a Chappy can connect, help and value these young people today in another way. Being willing to sit and listen and share in what is happening in THEIR world is significant for young people. Time speaks volumes to our young people and is a commodity sometimes hard to come by, but worth the investment. I regularly tell people that I know more about Minecraft and Frozen than I care too, but that is what many of these young people are interested in and that is where I can connect. How can you connect with the young people in your circles? More next edition.

Sports Report Continued Broncos

Broncos Cup is a Netball and Rugby League competition played against schools in the Border District. In Rugby League we combined with Texas and St Joseph's Stanthorpe to form a team however in Netball we play as a separate school team

Schools are Warwick, Goondiwindi, Stanthorpe, Allora, Killarney, Clifton, Texas, Assumption and St Joseph's.

This year the competition is being trialled over two full days in a carnival format at a central venue instead of the traditional home and away format. The first round was played in Goondiwindi and this weeks round in Warwick.

In round one teams emerged triumphantly from the clashes. Well done to our Rugby League A and B teams who each earned 1 Win, 1 Draw and 1 Loss. Our Inglewood Netballers fared even better with 4 Wins and 1 Loss (only by 2 goals)!

The second round was a tough day with all teams finding the going hard going. The Rugby League A & B didn't win a game all day but both teams played their hearts out and won respect from their coaches for their efforts. The Netballers also had a tough day losing in close encounters in their grade games. However played fantastically to win their final against St Josephs. 10points to nine to win the Bowl Award. A fantastic effort girls!

It was a big two days leaving at 7am and returning around 8pm.each week. Mr Lydement and Mrs Williams are grateful to all our players and their efforts. A great time was had by all!

A final mention and big thankyou to Mrs Williams for her efforts over many years as the netball coach.

Thankyou !
