### BOOK CLUB - Issue 5

Brochures have been given out to students. Orders and money are due back to our school office by Monday 24th July. Please make cheques payable to: Inglewood State School P & C or try LOOP online. Our school is registered for LOOP, making it easier for parents to order and pay, this will eventually be the way for Book Club, so give it a try.

### MS READATHON

#### Get ready to Read!

Registrations are now open for this year's MS Readathon at [www.msreadathon.org.au](http://www.msreadathon.org.au). The MS Readathon was launched 38 years ago in Australia and over the year's, thousands of students have picked up their books and raised over \$40 million—all to support Australians living with MS.

Everyone can take part and enjoy reading their favourite books whilst helping others. Fund-raise just \$50 and you will make a world of difference to those newly diagnosed with MS by enabling them to attend an information session where they get much needed support. Certificate of Appreciation will be awarded to all students and schools and all those raising funds will be included in our online Honour Role. For more information call 1300 677 323 or email [msreadathon@ms.org.au](mailto:msreadathon@ms.org.au).

### Chappy Chatter with Chappy Jason

I trust everyone was able to enjoy some sort of a break with their families over the Winter break. Not only do we need to refresh ourselves and unwind, so do our students. They might enjoy school, have fun and be happy, but they still need to unwind, relax, refresh and refocus. School can be a very intense environment sometimes. A full day of focussed learning, negotiating a class full of students on a social level and engaging in whatever else the day may throw at you can be exhausting. Our students need to have down time, learn how to productively unwind and relax from time to time for the benefit of everyone's mental health. Teach your students ways to unwind and to keep a healthy, positive outlook on life. That way we can ALL have a better day, week, year and enjoy life so much more. That goes for you as well!

### KIDS' CLUB

### 2017 Early School Leavers survey

The Queensland Government is conducting its annual statewide survey of students who left school in Years 10, 11 and prior to completing Year 12 during 2016. The Early School Leavers survey is a short, confidential survey that collects information about what young people are doing the year after leaving school.

Between July and August, students who left school in Years 10, 11 and prior to completing Year 12 last year can expect to receive an invitation to complete a web-based survey or a telephone call from the Queensland Government Statistician's Office to complete the survey. Please encourage them to take part. For more information, visit [www.education.qld.gov.au/nextstep/](http://www.education.qld.gov.au/nextstep/) or telephone toll free on 1800 068 587.
