All School' Triathlon

Any Primary student with aspirations of one day competing at the district/regional trials at Dalby in the Aquathlon (Run, Swim, Run), event may wish to also enter the All Schools' Triathlon Aquathlon event, 29th October, Sunshine Coast. This is open to all students and can be an excellent chance to experience open water swimming in a controlled and highly regulated event. (The State Trials involve an open water swim which can be daunting to our outback students). Events start from 7yrs so there is an opportunity for even our younger students to have a go. Further details can be found on the website or chat to Mrs Pietsch.

Ned Kelly—Hero or Villain?

Students in Year 7 English are reading the book 'Black Snake: the daring of Ned Kelly'. They will have to make up their own minds about whether or not Ned Kelly was a hero, a villain or a victim. After studying the book and information students will write a persuasive argument to convince others of their point of view.
