Preamble

The NSSCF has provided Inglewood State School with funds to enable the school to assist in maintaining a 1 to 1 ratio and create a digitally rich classroom environment to support 21st century learning. Inglewood State School P&C support the expenditure of these funds to participate in the Q4 Rollout of 3G enabled devices during 2013.

Endorsement

Inglewood State School P & C endorse the rollout schedule and the take home parental co-contribution that has been outlined to the school community by the school Principal. The take home co-contribution of \$100.00 is supported by the P & C on behalf of the school community and we are confident this process will support improved learning outcomes for our students.
